Drew Librot
20 March at 16:58 · Ann Arbor, Ann Arbor

I am currently working on designing and developing an app alongside Jake Croman and Joey Dickstein. We are looking for someone with experience in web design and/or coding who can work with us to create a prototype. If we believe you are right for the job, we are willing to offer very generous compensation for your work. If you are interested in this opportunity, feel free to email myself, Jake, or Joey and we can discuss further details.
